

# Symbology

No.	Name	Symbol
1	main track	
2	track distance (in m)	
3	secondary track	
4	track number	
5	turnout	
6	turnout with fouling point indicator	
7	double-slip turnout	
8	diamond crossing	
9	turnout with points in right position	
10	turnout with points in left position	
11	turnout with moving points	

No.	Name	Symbol
12	derailer	
13	bufferstop	
14	vehicles	
15	train	
16	ghost train	
17	train moving	
18	train moving slow	
19	train moving fast	
20	train in shunting mode	
21	train shunting	
22	train operated automatic	
23	train operated by human	
24	view point	

No.	Name	Symbol
25	distant signal	
26	distant signal with speed indicator	
27	speed signal	
28	block signal	
29	route signal	
30	combined signal (distant and block signal)	
31	shunt signal	
32	shunt signal locked	
33	shunt limit	
34	transmitter	
35	transmitter effective forward	
36	transmitter bidirectional	
37	block end marker (end of movement authority)	

No.	Name	Symbol
38	block clearing point	
39	route clearing point	
40	clearing point	
41	train berth sign	
42	train berth shape	
43	platform	
44	level crossing	
45	bridge	
46	hump	
47	interlocking
